MINUTES OF THE CROQUET SECTION COMMITTEE MEETING

 - II One, two and three day competitions all have sufficient entries to run.
- 5 CA Entry Tournaments**
 - I AC Open tournaments have healthy entry levels, handicap ones are less popular but viable.
 - II GC tournaments all have healthy entry levels.

8 Feedback

- I The Spring Tea and Quiz went well, the quiz was its traditional challenge.
- II The Spring Lunch was popular but there are still reservations about the harsh atmosphere of the room.
- III The GC Extra Strokes training went well but some participants would have preferred more time on the courts. It made a profit of £29 for the section.
- IV Thanks were recorded for all the helpers at the taster session. The event went well with 24 people attending and several signing up for the follow up coaching. The extra space available in the Pavilion rather than Hut 3 was useful as it was cold, but it was more work organising it. The fixed time worked better than last year's rolling arrivals. A small number of people turned up late but they were accommodated.

- II. There is a new supplier for the cricket teas. The main catering contract has been agreed for a one year period and will be up for negotiation next April.

10 Forthcoming Events and Committee Members

- I. Current members, especially newer ones, will be reminded that we have several coaches at the club who will help them improve their game if asked. **ED**
- II. GC roll ups could be very crowded with only two courts, it was suggested that there could be a system of rationing with half the membership allocated particular days. Pam Bowra will be consulted. **SP**
- III. The Medics will be playing on May 17th, it is unlikely that 4 lawns will be available. The Sidmouth team will give priority to regular players. **SD**
- IV. The short croquet tournament on 18th/19th May will be managed by Richard Thurlow. **RT**
- V. The Introduction to AC for GC Players will be a half day on each of the weekend 20-21st May. A lead coach will be approached. Philip Harris has offered to assist. **SD**

Croquet Section

Minutes of the AGM held in the Pavilion at 6pm, Tuesday 17th October 2023

1. The Chairman welcomed 49 members to the meeting.
2. A minute's silence was held in remembrance of Ken Prosser, David Mundy and Peter Miller who have died during the year.
3. Apologies were received from; Jon and Penny Ball, Richard Wood, John and Hilary Cowling, Cilla and Michael Franks, Simon and Christine Bowler, Diane Price and John Garner.
4. Kelvin Dent proposed acceptance of the 2022 Minutes with Peter Nelson seconding. The minutes were accepted unanimously.
5. Committee Reports
 - a. Sue Dent delivered the Chair's Report, see Appendix 1.
 - b. Ed Dolphin reported that, following some minor setbacks, the newly laid grass on courts three and four was making good progress. Courts one and two had deteriorated during the summer but remedial work was underway. In recognition of a generous donation to the club by Michael Cunliffe which was earmarked to cover much of the cost of the relaying, a plaque will be attached to Hut 3. There was a request from the floor that, with the changes to the ground staff, there should be a re-evaluation of the section's share of ground staff resources such that the croquet courts can be rated as highly as the cricket square. This was noted and will be addressed by the new committee.
 - c. Steve Pearson reported that competitive rather than purely social GC was gaining a higher profile in the club. It was pleasing to see an increase in members putting themselves forward for club teams and internal competitions. The new friendly matches against Exeter and Budleigh were a great success thanks to Christine Bowler and Margaret Regan for organizing them.
 - d. Richard Thurlow reported that the internal competitions enjoyed strong support in most cases and he thanked Steve Pearson for his help with running them. It was particularly pleasing to see new and inexperienced members trying their hand and, in some cases actually winning trophies.
 - e. Peter Nelson reported that all of the open competitions attracted good entries with the exception of the handicap competition in the Mid-summer Tournament. This will be amended in 2024 to leave two courts open for club play. The AC competitions attracted a higher proportion of Sidmouth players than did the GC competitions. He called for more local GC players to try open competition in 2024 as a way of developing their play. He thanked all those involved but particularly the hoop setting team of Andrew Thomas, Philip Harris and Ed Dolphin.
 - f. Duncan Hasell reported that the Croquet Section contributed approximately £22,000 to the club. The need to find a replacement for his role on the committee was repeated.
 - g. Marian Gadian reported that we have not received all this year's participation cards which are needed to secure the tax advantages of being a Community Amateur Sports Club (CASC).
6. There was one motion proposed by Paul Griew, seconded by Ian Simpson and passed unanimously. "That the Croquet Section Rules be adapted to accommodate changes to the national organisation with reference to the Croquet Association and CA replaced with Croquet England and CE respectively."

7. There was a vote of thanks for several members, see Appendix 2.
8. Peter Regan was the only new nominee for the committee. The new committee, Sue Dent (Chair), Ed Dolphin (Secretary), Marian Gadian, Peter Nelson, Peter Regan, Julie Sorrell, Richard Thurlow, was voted in en-bloc, proposer Ian Simpson, seconder Philip Harris.
9. Pam Bowra was invited to present trophies to the winners of club competitions. See Appendix 3.
10. There was no other business and the meeting closed at 7.05pm.

Sidmouth Croquet Section

Chair's Report for the Croquet Section AGM – October 2023

We now have 108 members this season – a slight drop on the previous year when we reported 121.

We started the year with a taster session which was very successful but generated only 9 new members. But what we lacked in quantity, we gained in quality – they have become a very supportive group, participating in club sessions, entering competitions and getting to know the established players both on and off the lawns. If you have friends or neighbours who may be interested in joining us next year encourage them to come to the taster session in April.

We have a wide age range of players – two of our players in their 90's, John Dixon and Roy Hubbard, still enjoy playing competitively whilst a few of our members are still working.

We also cater for all ranges of experience and abilities.

We know that many just want to turn up to the club sessions.

You may have noticed that we often have visitors joining in our club sessions. You can do the same if you are away somewhere that has a croquet club. Make contact with the club and ask if you can join in.

This year Christine Bowler assisted by Margaret Regan introduced 'friendly' matches for our newer members to compete against Budleigh and Exeter which then gave them confidence to enter some of our internal competitions which Richard has already referred to.

In addition, we have teams playing in the South West Federation across 4 Association Leagues, 3 Golf Croquet Leagues and a Short Croquet League. Matches can be at Poole in the East, Nailsea in the North and St Austell in the West. As you can imagine we win some and lose some but 3 of those 8 teams came second in their league.

We also have the Open Tournaments which are arranged through, and publicised by, the Croquet Association attracting players from across the country who enjoy the ambience of Sidmouth and the friendly welcome.

Likewise, several of our better players play in Open Tournaments at a distance – Cheltenham, Surbiton, Southwick to name but a few but also locally at Budleigh where a wide range of tournaments are offered. Several Sidmouth players have won tournaments this year and returned with trophies.

Two of our Sidmouth players, Philip Harris and Louise Smith, represented Devon in the Golf Croquet Inter-counties Championships at Cheltenham in which Devon came 3rd.

So, as you see there is something for everyone.

Individual committee members will have said a few words so I don't feel we need to dwell on your achievements and activities – you were there and you participated in them.

But I do want to update you on the issues relating to the SCTCC (the Sidmouth Cricket, Tennis, and Croquet Club) of which we are a part. I refer to this as the Main Club. Whereas the croquet section is led by our committee, the Main Club is managed by the GMC (General Management Committee).

In the minutes of our AGM last year the point was made that the GMC requires a Chair and Secretary. Chrissie Hounslow (a tennis member) has stepped in as Secretary but one year on we still require a Chair and now also a Treasurer and the Club is in a very difficult position. Over the years croquet members have held significant roles on the GMC.

Paul Griew has been Treasurer for the last 7 years and also acting Chair for the last 12 months and he has done a marvelous job but is now standing down.

Peter Nelson has been heavily involved for many years and taken on Bar Chairman amongst other things. You will be aware of difficulties experienced by the Club in recruitment and retention of staff since covid and since Julie Claydon retired.

Peter has secured a contract with Laura Bermingham for the cleaning of the pavilion.

Charlie and Jazz finished on the bar at the end of the summer and Peter has arranged for Laura to manage the bar with her team as a temporary winter arrangement and on an irregular booked basis. We are pleased to have the bar open this evening.

Catering services have been more difficult. Nik and her team also finished at the end of the summer. She produced beautiful food but at a price. What the cricket section requires on summer weekends are the traditional cricket teas for their matches at a price that their leagues determine can be charged. There is also considerable demand for a variety of food during folk week and for the classic car rally. The social members want Sunday lunches and our section and the tennis section also have occasional meals. Currently no catering contract is held but Jackie and Doug who have a long association with the Club have been prepared to provide our meal this evening for which we are very grateful.

Also, on the GMC is myself as Croquet Representative but as you might imagine premises issues / grounds issues / contracts of employment/ are not my areas of expertise.

Very fortunately in the last 12 months Simon Bowler has been House Chairman. He oversees changes in the lighting, gas and electricity meters, adherence to fire regulations, health and safety issues and more.

However, we have no Chair and no Treasurer. There are job descriptions for these roles if you might be interested. Even if it is not for you, you might have a neighbour or friend recently moved to the area who likes sport and wants to be involved in a worthwhile Sidmouth activity; please tell them about this and ask them to get in touch.

The issue becomes 'how will the Club function without them' if no-one comes forward – and it's not good news.

It may be that we need to appoint a professional accountant to undertake the role currently performed by the Treasurer and we may need to employ a Manager to run the Club. The Club is a behemoth – premises, grounds, employment of staff, contracts to oversee and the general running of the Club.

If we need to do either of these the costs will be considerable and there will be a large increase in our membership subscription, not just the £10 increase we have managed to keep it to in the last 12 months. That is the reality.

Questions are invited pertaining to the SCTCC or the GMC.

Leaving those issues aside:

On the grounds side Colin Whitehall retires at the end of October. I think we are aware that his first love is the cricket pitch. The cricket chairman shared a chart with me recently which showed that for their leagues the referees score the grounds for the quality after each match and in their league the Sidmouth pitch was rated top. Colin's role is being taken on by Toby who has 3 years' experience and qualifications to back it up.

Helping Jackie in the kitchens this evening is her husband, Doug Yeabsley who sits on the GMC as Grounds Chairman overseeing the grounds management, and is assisted very much by Andrew Thomas. At the AGM of the Main Club a few weeks back, Andrew was awarded Life Membership of the Club in recognition of his outstanding contribution to all sections.

As a section we are making a collection for Colin on his retirement and this will be circulated during the meeting and available in hut 3 later if you would like to contribute.

Sidmouth Croquet Section

Thanks to Members - AGM – October 2023

My thanks go firstly to those committee members who have put themselves forward to continue on the committee.

Ed Dolphin – as Secretary for the 3rd year

Peter Nelson as Open Tournament Secretary and has been on the committee in various roles for at least 16 years giving us a wealth of continuity. Peter has just finished a 4 year term on the CA Council where he was vice chair

Julie Sorrell – who has been our Social Secretary since 2016

Richard Thurlow – who rejoined the committee in the role of Internal Tournament Organiser this year.

Marian Gadian –herself a recent member and new to the committee with responsibility for making new members welcome and has taken on the safeguarding role for us.

But also thanks to those who have taken on significant roles alongside the committee:

Jon Ball – as membership secretary

Philip Harris – responsible for the booking sheets

Andrew Thomas - for the grounds/the netting/ the hut/work on the pavilion

Richard Wood – as SW Federation Secretary liaising with the other clubs in the southwest to create the timetable of all our SWFed matches both home and away.

All of these people do not just perform those roles – they are involved in the taster sessions/the new members coaching/the ongoing coaching/and hoop setting throughout the year.

Then we have 2 committee members standing down.

Duncan Hassell – as Finance Assistant. Many thanks for keeping the books in good order and devising a roles and responsibilities document which has been circulated in the hope of finding a replacement. We really do need someone to take on that role who is computer literate and recognises an Excel spread sheet.

Steve Pearson – on the committee since 2017 and has come to organize most of the GC side of our play. In addition to managing the one-day tournaments/the coaching/and leading 2 of the SWFed teams he plays to a high standard. We will miss his considerable input. Steve is the only GC dedicated member on the committee and we would like more. It could be for just for a year but normally a role is for 3 years before handing it across to someone new. This hasn't happened for a while now but it would be good if we could get back to that arrangement. We all benefit if there are new people to learn the various jobs and take the club forwards.

We have just one person who put their name forward to replace Steve and that is Peter Regan. Without him volunteering there would be no one day GC Internal Tournaments and only one SWFed league team. I am sure you will support him in taking up this role.
