10 Committee 2025	I Committee members present said they are willing to continue for next year but there is an urgent need to recruit new volunteers. There is hope that several of last year's new members are taking a more active role.	
11 Individual Committee Members' Matters & AOB	- I The committee was delighted that a group of GC players want more organised sessions. It was agreed that lawns 2 & 3 will be block booked for a GC Roll up session 10-1 on Saturdays when there are no tournaments. Those attending will be responsible for any organisation. - II An occasional visitor has offered to run a session inviting GC players to try AC but it would be difficult to fix arrangements and uptake for our own sessions shows there is limited appetite. - III Daphne's funeral was attended by several club members and the family were very appreciative.	ED

The date of the next two meetings will be Monday 2nd September and 7th October. The section AGM will be Tuesday 15th October at 6pm.

MINUTES OF THE CROQUET SECTION COMMITTEE MEETING

HELD ON MONDAY 2nd September 2024

Present: Sue Dent, Ed Dolphin, Marian Gadian, Peter Nelson, Peter Regan, Richard Thurlow.

1	Apologies	
2	The Minutes of the meeting on 22 nd July were approved.	Action
3	Matters Arising 1. Discussion of next year's internal tournaments was deferred to the next meeting. 2. Our current junior members do not need special provision if they attend roll ups. 3. The rounders event was a success, 15 people from the croquet section took part. 4. It was agreed that we will not take up the offer of GC-AC coaching.	
4	Feedback 1. The AC B Level event went well. 2. The GC B and C level events went well. Philip and Steve managed although this appeared to be a late decision. The situation needs to be clear next year. 3. There was a good response to the GC Doubles events. 4. SWF Leagues need to be reviewed, especially as teams are having to travel further afield because local clubs are dropping out. Next year Chris Donovan will take over the Advanced second team from Jane Babbage.	
5	Forthcoming Events 1. The GC and AC Seagulls are coming up. It was agreed that it would be better if there was a signing up sheet in line with the AC event. 2. The preliminary email about the Christmas Lunch has been circulated. The deposit is yet to be sorted. 3. The GC A Level event at the end of September may need only three lawns, Peter Nelson is in discussion with Chris Roberts of CqE.	SD MG PN
6	Finance 1. The cash fund stands at £881 with final travel claims to be paid before the end of the season. 2. The Social Fund is breaking even. 3. 8	Requests from members 1. The request for winter GC roll ups will be discussed at the Open Meeting. Issues are, potential wear on the lawns needs to be controlled, only four players are allowed on a lawn in winter and there will be extended closures for maintenance, sometimes at short notice. 2. The morning timing for lawn closure notices needs to be clarified to avoid members arriving but being unable to play. 3. Difficulties with parking permits are to be discussed at GMC. It was agreed that we support allowing the tennis coach to park on site so that she does not take up a permit. 4. There was no support for a suggestion to have a CqE Diploma Honours Board.	SD
9	Accident 1. It was noted that all future structural, electrical and plumbing work should follow proper procedures of planning and signing off with the grounds manager. A paper will be prepared for the GMC November meeting. 2. The club's health and safety policy will be circulated to the committee.	RT ED
10	GMC Issues I. It was agreed that we will ask the GMC to ensure there is a clear plan for repair and maintenance of the lawns to deal with Dollar Spot fungus. II. There was no support for the idea that membership fees should rise significantly to finance a full time club manager.	SD
11	General Meeting 1. The informal general meeting will be at 4.00 on Tuesday 24th September. Members will be invited to raise issues in advance.	SD

CqE Open Tournaments have earned the club £2,262 with a further £89 to be collected from Louise Smith. 3. A system for the sale of club clothing is to be investigated. 4. Managing the internal tournaments has been frustrating with some players withdrawing and others unable to complete their matches. Block tournament results will be reviewed to ensure the correct players go through to semi-finals and finals.	MG PN RT

The date of the next meeting will be Monday 7th October. The section AGM will be Tuesday 15th October at 6pm.

NOTES OF THE CROQUET SECTION OPEN MEETING

TUESDAY 24TH SEPTEMBER 2024

Purpose - to share information and receive suggestions for the year ahead.

40 members attended the meeting.

Lawns

- Ed described the potential impact of the Dollar Spot Fungus which may involve lawns being closed at short notice
- A request was made for the GC Club sessions to continue over the winter.

It was explained that 2 lawns will be closed on October 1st for winter maintenance so only 2 lawns will be available for play. As the weather may deteriorate there could be fewer attendees at the club sessions. Club sessions can continue and have been booked on the booking system. Lawns could be closed at short notice for bad weather. Please continue to assess if this is working reasonably for everyone.

When the clocks change on October 27th, our winter rules come into force to protect the lawns. Sessions begin at 10.30 and only 4 can play on a lawn at any one time. (Philip will issue the winter rules nearer the time.) This obviously poses difficulties for club sessions. Please talk amongst yourselves for possible solutions.

Suggestions received after the meeting were:

- a) divide the players into 2 groups, say names A-J able to play on a Monday, and K-Z on a Wednesday.
- b) ensure players wanting to play over the winter (especially those who are not computer literate) have contact details of others interested to join them in friendly games. Marian has offered to support those who struggle with IT.

Coaching

- suggestion made that a skills coaching session be held at the start of the year. Several members thought this could be useful. Philip will take this forward.

Internal Tournaments

- suggestion that additional competitions be held – maybe a knockout format - singles or doubles.

Little support received. Noted that as it is, players are not completing the blocks on time.

Finances

- Folk Week

100 members helped with parking and front of house duties. Mike Dibble sends his thanks. Over £56,000 was taken in car park and camper van fees. A donation of approximately £5,000 is given to the Festival committee. The net income was therefore over £50,000. Were it not for that income, our subscription fees would be much higher.

- The Cricket section is active in generating sponsorship from local organizations, totaling £17,000 this year. The SCTCC requests a member of the croquet section to join a subgroup to take this forward. Following the meeting John Cowling has offered to do this.

- The SCTCC is wishing to form a subgroup to include a croquet member to work up grant applications from national bodies. Richard Thurlow has offered to do this.

Volunteers

- The Chairman's Garden project beyond lawn 3 was set up by Rob and Liz Matthews with Mike Hide 17 years ago. There are regularly four other workers but extra volunteers are requested please for alternate Thursday mornings from 9.30 am. The next sessions are 10th October and 24th October.

Social Matters

- Completed participation cards and handicap cards are required please. To be left in the boxes in hut 3.
- The Christmas Lunch menu was available to view. Orders will be taken at the AGM and details circulated at that time.
- The Coffee and Chat sessions will resume after the clocks change. A rota was circulated for signup starting on Monday October 28th.
- Marian, in response to a suggestion last year for a board games afternoon, is asking for ideas and helpers. An ideas sheet was circulated.
- A suggestion was made that, based on the success of the rounders event and jazz evening organized by the Tennis section but available to all sections, we as a croquet section could organize an event open to all. One idea is a coquet competitive evening with teams comprising a member from each section.

The Croquet Section AGM - Tuesday 15th October at 6pm

- The formal meeting will include the presentation of trophies for the Internal Tournaments. Roy Hubbard will be making those presentations. The bar will be open but we will not be offering a meal this year.
- At that meeting the committee is elected. We have only 6 members currently and are in need of two (or even three) GC players to join the committee. One role would specifically be to support Richard Thurlow in arranging the GC Internal Tournaments with a view to taking on the full role in future. The other would be a watching brief- to see how the committee functions and provide useful GC input and consider a more specific role next year. The vast majority of our members play GC, yet the committee and others performing essential roles are largely AC. This must change. Please sign up in the sheet outside hut 3 – a proposer and seconder can be found.

The SCTCC AGM – this Saturday 28th September at 11am

- The formal meeting will be followed by a presentation by Roger Mills on progress being made regarding the Ground Trust. This has huge significance for all our sections. I hope Roger will provide a paper which can be shared.

GC Handicaps

- Some members are aware there have been issues with GC handicaps towards the end of the playing season. The Handicap committee (which is independent of the main committee) will be considering options when they review handicap cards and may be re-assessing cards more frequently. Ed identified that Croquet England are considering alterations in how handicaps can be assessed and how doubles play can contribute to the scorecards.

Wearing Of White Clothing for Tournaments

- A view was expressed that where players wear whites their space is respected and they will not be troubled on the lawn. The general consensus was that white clothing is preferable but more casual clothing is allowed where an individual match is taking place.

Sidmouth Croquet Section
Chair's Report for the Croquet Section AGM – October 2024

We now have 111 members this season – a slight increase on the previous year when we reported 108.

We started the year with a taster session which was very successful with 41 people attending and our hopes were high that we would get a considerable membership increase. The weather for the Spring coaching sessions was poor however and affected uptake and we gained only 9 new members. We have had a few extras joining later in the season. If you have friends or neighbours who may be interested in joining us next year, please encourage them to come to the taster session in April.

The club caters for all ranges of experience and abilities.

We know that many just want to turn up to the club sessions; the GC roll-ups have sometimes had in excess of 30 players attending.

As a result of a request from GC players and discussed at the Open meeting in September we have extended the Club sessions through October. With only 2 lawns now available there is a potential difficulty with numbers attending but the weather is likely to have an impact.

This year Margaret Regan and Cilla Franks arranged the 'friendly' matches for our newer members to play against Budleigh and Exeter. Several who played in these the previous year went on to enjoy Internal Tournaments this year and participated in the SWFed matches against other clubs.

At the beginning of the season in the SWFed short croquet tournament at Nailsea our team of Roger Mills, Philip Harris, Ed Dolphin and Richard Croft won their division 3 and gained promotion to division 2 with Richard Croft winning all of his games.

In the SWFed Leagues we entered 4 Association and 3 Golf Croquet teams. I would like to have congratulated those teams which won their leagues, but it wasn't to be. Results were disappointing but perhaps the fun is in playing, meeting players from other clubs and gaining experience. Our GC Level Play team did the best, winning 3 of their 5 matches.

We also have the Open Tournaments which are arranged through, and publicised by, Croquet England, attracting players from across the country who enjoy the ambience of Sidmouth and the friendly welcome. Roger Mills won the Midsummer AC tournament held here and Jane Bell won the GC 'C' level tournament in September. Peter Nelson will add a few words about those tournaments in his report.

Likewise, several of our better players play in Open Tournaments at a distance – Cheltenham, Surbiton, Southwick to name but a few – Steve Pearson won the CE GC 'B' Level Tournament at Camerton and Peasdown in May. Roger Mills won the CE AC National Veterans Tournament at Budleigh.

So, as you see there is something for everyone.

Developments in this last 12 months have been:

- The introduction by Marian Gadian of the winter coffee and chat sessions
- The extension of the decking behind hut 3 - thanks to Andrew Thomas and Peter Regan for undertaking that project
- The introduction of a block Short Croquet tournament. Short croquet, by using half lawns is an ideal format for those who find the full lawn too challenging or are just starting to play Association Croquet
- The introduction of Saturday morning GC Club sessions and
- The extension of the Club sessions through October

- And on the admin side the simplification of the travel expenses and match fee system for the SW Fed matches

I would like to update you on the issues relating to the SCTCC (the Sidmouth Cricket, Tennis, and Croquet Club) of which we are a part. I refer to this as the Main Club.

This time last year the main Club required a Chair and Treasurer and later a Secretary. Fortunately all those roles have now been filled, with Stuart Haydon as Secretary. As a result, the Club is moving forward strongly. Those of you who attended the main Club AGM will have heard from Mike Dibble and Roger Mills about work currently being undertaken regarding the Grounds Trust and you will have received a very comprehensive resume in an email last week. From our Croquet section we also have Peter Nelson, myself and Simon Bowler (as House Chairman) to ensure Croquet has a strong voice on the GMC. Recently the GMC requested nominations from Tennis and Croquet to sit on subcommittees with the cricketers for Sponsorship and Grant Fundraising and I am very pleased that John Cowling and Richard Thurlow put their names forward for those two roles.

Regarding the Grounds, you will be aware that following the retirement of Colin Whitehall, Toby Seldon is responsible for maintaining the estate. He has received assistance over the summer but he, and we, are very appreciative of the continuing support of Andrew Thomas.

Regarding the bar and catering, Frazer's contract comes to an end at Christmas. The pavilion is not an easy venue in which to providing catering and we wait to see if someone can be found to take it forward.

Finance Report for the Croquet Section AGM – October 2024

We are part of the larger SCTCC which I refer to as the Main Club. Their Treasurer produced an Income and Expenditure Account for the Club which was distributed to you all electronically in advance of their AGM at the end of September. If anyone wants to read it and did not see a copy you can ask me to resend it. Their accounts are for the financial year ending March 2024.

Any figures I mention are for our playing season from April up to the end of September 2024.

This year the main club allowed each section only a small amount of capital expenditure. We successfully applied for £1,500 for the extension to the decking behind hut 3 and that work has been carried out.

The Main Club requires large capital projects to be part funded by the section. We are very grateful for the significant donation of £10,000 from one of our members which the main club has agreed, and minuted, will be ring-fenced for croquet purposes. In the recent past you will recall a donation from Michael Cunliffe (there is a plaque on the outside of hut 3) which was used in part for the relaying and reseedling of lawns 3 and 4. Back in the early 2000s we had the borehole and sprinkler system installed under the leadership of David Temple largely funded by an appeal to croquet players, many of whom contributed £100. In 2003 all 4 lawns were relaid with grants from The Croquet Association. So this recent donation is in that tradition of donations and is likely to be used for a future capital project.

Alan Gadian is our finance assistant and oversees our section's bank account which is directly linked to the Main Club account. All our income from subscriptions, donations and visitor fees,

transfers automatically to the Main Club Account at the end of each month and we, as a section, have no access to it.

As we cannot use the Main Club account for incidental expenditure we also have some funds managed by different members. Balances are small and updates are regularly reported to the committee.

You will be most familiar with Marian's social fund.

The Quiz raised £53

The Coffee and Chat sessions £98

£40 was paid out for the drinks for new members at the Welcome evening.

The residue plus the 50 pences collected in hut 3 for teas and coffees is used for replenishment of provisions and purchase of cakes when we have visiting teams.

To date the balance on that fund is £92.

Peter Nelson holds money raised from the raffle of the new mallet last year and also some when Andrew sells on a donated mallet to a new club member. This fund then pays for the SWFed travel expenses which was £390 this year and other small items.

Andrew has a small amount from mallet refurbishment which he spends on mallet grips and some maintenance bits and bobs though wood being used now on hut 4 is his own personal surplus.

In these ways we keep the admin to a minimum whilst ensuring monies are available when needed.

The CqE Diploma citation for Peter Nelson

Peter Nelson has been a key member at Sidmouth for many years taking on a number of roles and applying his clear strategic thinking and skills of persuasion to move the club forward to its current strong position. At the same time he has also been playing and enjoying croquet to a good standard locally, in tournaments around the country and overseas.

Peter volunteered to join the club committee in 2012 and has been Treasurer and was Chair for six years until 2020. He returned to the Committee in 2021 to take over the role of coordinating open tournaments. Sidmouth is a multi-sports club and Peter serves on the General Management Committee overseeing the running of the bar. He takes a leading role in promoting the club and developing players through coaching, especially efforts to help GC players to try AC which is his preferred format.

With his background in engineering, Peter has been a great help in the practical side of running the club, helping with maintenance of the buildings and even mastering the verticutter to enable the smooth running of major tournaments.

Beyond the club, Peter has served on the committee of the South West Federation, was the SWF representative on the CA and has recently served as Vice-chair of the CA Council.

STCC CROQUET SECTION OPEN TOURNAMENT REPORT 2024

Six GC and three AC open tournaments were held this year. All tournaments were well attended with the exception of the AC handicap event. The committee will decide whether this event should be held in 2025. As a minimum the entry will be reduced and at least two courts will be free for use by members.

A high proportion of Sidmouth AC members entered events but entries from GC players, in events for which they qualify, remains disappointing.

We also hosted the GC A level series National; Final at the end of September. This and the open tournaments raised approximately £3000 for the club and enhanced our profile both regionally and nationally.

This report would be incomplete without thanking Andrew Thomas and helpers who, with the assistance of ground staff, prepare the courts for tournaments.

2024 AGM Peter Regan's Report

Last year I took over the SWF golf croquet games, this comprises of 5 games each being level play for those with a handicap of 5 or more and 6 handicap games for those with a handicap of 8 or more. Some of the games are away and some on home ground. Those that volunteered to play I would like to thank and I am sure that all enjoyed it and gained valuable experience.

From the 5+ level play we drew one of the games and that was against Camerton & Peasdown B team. From the 8+ handicap we won two games and that was against Taunton Dean and Budleigh Salterton. Despite the scores games were close and I am pleased with the performance of all those that took part. One member of the team was hesitant about playing many games but ended up wanting to play in as many as possible as he enjoyed it so much.

Next year I will be looking for volunteers again I would encourage you to do so, you will have fun, meet new players from other clubs and gain experience that will help you with internal games.
